**THE OTHER EVEREST – Navigating the Pathway to Authentic Leadership
November 5-8, 2019 at The Banff Centre
Banff, Alberta, Canada**

A 3 Day Retreat / Open Workshop

“By looking within ourselves to identify our authentic values, passions, purpose and strengths, we open the door to our greatest potential for meaning, fulfillment and true success.”

– David Irvine, The Leader's Navigator

Rather than offering leadership tools, David's program focuses on developing yourself as the tool user. Through profound personal explorations, this unique, ground-breaking three-day program will guide you on an inner journey, a journey to the “Other Everest.” You will connect with your vision, purpose and your deepest core values to unlock your true leadership potential and amplify your impact and influence in all areas of your life.

- Amplify your ability to earn trust, overcome resistance, engage others, and ensure results through a stronger leadership presence.
- Discover deep fulfillment and contentment by identifying your own definition of success and what it takes to live a life that matters.
- Create a plan to help achieve your leadership potential and build a support community for your vision.
